SUMMARY

B.Tech Information Technology student (CGPA 7.54) specializing in the MERN stack, Java, and Data Structures & Algorithms. Built full-stack web applications with React.js, Node.js, Express.js, and MongoDB, including a video conferencing platform and a query-optimized fantasy cricket app. Solved 200+ problems on LeetCode. Seeking an entry-level Software Development Engineer role to build scalable, user-focused applications.

TECHNICAL SKILLS

Languages: Java, Python, JavaScript, SQL
Frontend: React.js, HTML5, CSS3
Backend: Node.js, Express.js, Flask, REST APIs
Databases: MongoDB, MySQL, SQLite
Core CS: Data Structures & Algorithms, Object-Oriented Programming, DBMS
Tools: Git, GitHub, VS Code

PROJECTS

MeetVerse – Video Conferencing Application
Tech Stack: React.js, Node.js, Express.js, MongoDB, JavaScript

- Developed a full-stack, responsive video conferencing web app for online meetings and virtual communication.
- Designed interactive UI components and implemented meeting scheduling, room creation, and session management.
- Built REST APIs for authentication and meeting data across frontend, backend, and database layers.

Fantasy Cricket – Desktop Application
Tech Stack: Python, Flask, Tkinter, SQLite

- Built a GUI-based fantasy cricket application with player filtering across 5 categories.
- Optimized SQLite queries for 100+ player records, improving data retrieval speed by 35%.
- Implemented a real-time scoring engine and MVC architecture for maintainable, scalable code.

EDUCATION

B.Tech – Information Technology (AKTU) *Expected Graduation: 2027*
RR Institute of Modern Technology, BKT, Lucknow | CGPA: 7.54
Class XII: 74.8% | Class X: 87.67%

CERTIFICATIONS & TRAINING

- **Python Programming Certification** – Internshala
- **Full Stack Development Certification** – Apna College
- **Full Stack Development Training** – EduRealm: college-based training with hands-on exposure to frontend, backend, database, and MERN stack technologies

LANGUAGES & INTERESTS

Languages: English, Hindi **Interests:** Coding
